BREAKFAST ON FRIDAY FEATURING “THE WOMEN OF CITY HALL”

Join us for Breakfast on Friday, July 6th at 7:30 am at the Village Deli on Kirkwood for some discussion of women's roles in the political world by “The Women of City Hall.” Several women have risen in ranks in city government to department heads. Come talk to them about how they face challenges that might be particular to their department, thoughts on how women are viewed in city government, how being a woman has helped or hindered their careers and a little about what motivates them to public service. Economic Development Director Danise Alano, Controller Susan Clark and Human Rights Director Barbara McKinney have confirmed at this writing. This should be a very interesting discussion! Bring a friend, or your daughter who's out of school this summer. Send a quick email to Merridee at mlan@kiva.net if you are coming!

JILLIAN KINZIE IS ELECTED TO RUN IN DISTRICT 2.

We are absolutely delighted that Jillian Kinzie has agreed to run for city council in District 2. This seat is currently held by Brad Wisler, a Republican. Jillian's addition to the 2007 City Ticket means that there is a possibility that there could be THREE women on the city council next year. And 33% is closer to 50% than the 11% with which we started this year!

Hopefully you'll get to know Jillian a little more at the Breakfast on Friday, and in the coming weeks. In the meantime you can view her candidate statement at this link: <http://www.democraticwomenscaucus.org/jilliankinzie.html> Perhaps the first thing you could do would be to bring her a check on Friday!
